

125ah vmaxtanks solar batteries

Overview

VMAX SLR125 12 Volt 125Ah Group 31 Deep Cycle Battery. AGM SOLAR battery made with special plates and top of the line plate separators. Superior performance and unmatched deep cycle capabilities. AGM Electrolyte Suspension System. Custom Built Military Grade Alloys. Fast Charge.

VMAX SLR125 12 Volt 125Ah Group 31 Deep Cycle Battery. AGM SOLAR battery made with special plates and top of the line plate separators. Superior performance and unmatched deep cycle capabilities. AGM Electrolyte Suspension System. Custom Built Military Grade Alloys. Fast Charge.

I use these batteries along with a 1500W pure sine wave inverter as a back up for the occasional power failures that happen here in the Northeast US. I purchased one in November 2012, yes, 2012, and another in 2019. They normally run in parallel and provide 12 V @ 250AH nominal to the inverter.

Founded in 1991, Michigan-based VMAX USA specializes in manufacturing high-performance batteries for heavy-duty applications that deliver reliable performance, high-capacity output, and unmatched deep cycle capabilities. From high-powered audio systems and vehicle hydraulics to marine, RV, solar.

VMAX SLR125 12 Volt 125Ah Group 31 Deep Cycle Battery. AGM SOLAR battery made with special plates and top of the line plate separators. Superior performance and unmatched deep cycle capabilities. AGM Electrolyte Suspension System. Custom Built Military Grade Alloys. Fast Charge Delivery.

The SLR 125 AGM Deep Cycle 12v 125ah Battery for Solar Power Systems is a high quality and high capacity 125 Ah battery for solar application pertaining to the popular Vmaxtanks SLR series batteries. The main feature of this deep cycle battery is the long life battery cycle ensuring repeated cycles.

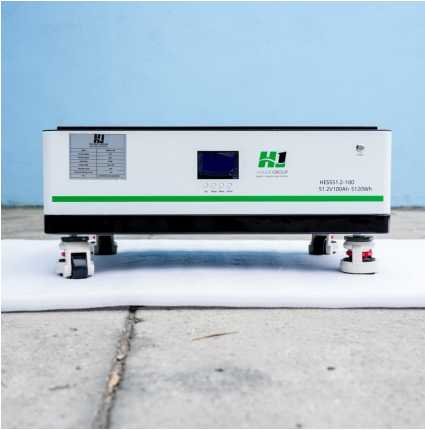

The VMAX 12V 125Ah AGM Deep Cycle Solar Battery offers high performance and reliability for solar, wind, and off-grid power systems. With advanced AGM technology and unique plate construction, it outperforms typical Pb-Ca plates in strength and reliability. Perfect for charging with solar, wind, or.
