

3dr solo custom battery

Overview

How much battery does a 3DR solo have?

The 5200-mAh battery of 3DR Solo offers up to about 20 minutes of flight time on a single charge. With a wonderful maximum payload capacity of about 0.4 kg., and a transmission range of up to 805 meters, the 3DR Solo is a fantastic scouting tool too. Here's how the 3DR Solo drone performs when it comes to its different features:.

How much does a 3DR solo cost?

Flight Simulator App - Before going out and flying the 3DR Solo, the included simulator app allows you to practice your flight skills realistically, so you don't wind up crashing the drone. Considering the 3DR Solo costs about \$1,000, it's not exactly cheap to replace.

How much does a 3DR solo weigh?

The 3DR Solo weighs in at a hefty 3.35 pounds with the battery, gimbal and camera installed. It is fairly large at just under 19 inches from tip to tip and needs to be registered with the FAA as it is over the 0.5 pounds minimum weight. The max distance for Solo is about a half-mile.

How to get telemetry from 3DR solo?

3DR Solo uses smart BMS in each Solo battery which will give battery telemetry to Solo and ground station. There are different ways to get this information. a) Don't have telemetry: Solder the battery connectors directly to the Solo board. You need then to use a LiPo alarm and/or timer. It works but it is not what we want.

Is the battery pack enough power for a drone?

And thus you would have other problems than the battery. This battery pack has a constant discharge of 45A, aka 650w. In hover the drone consumes only 230w. I think the battery pack has enough power because in slow to medium

flight the drone uses even less power than in hover.

3dr solo custom battery

3DR Solo Controller Battery

Premium-quality replacement battery for 3DR Solo Controller remote controller. This aftermarket battery is designed for long-lasting performance and is 100% compatible with 3DR Solo ...

3DR Solo Battery

UAV Systems International. Build Your Perfect UAV. Affordable, High Quality and Reliable drone customized for any mission. Heavy Lift Payload Drones, Fixed Wing Long Range Drones, ...
