

Average residential ESS price per 800kW in Portugal

Overview

The residential electricity price in Portugal is EUR 0.238 per kWh or USD 0.277. The electricity price for businesses is EUR 0.160 kWh or USD 0.186. These retail prices were collected in December 2024 and include the cost of power, distribution and transmission, and all taxes and fees. How are electricity prices determined in Portugal?

Electricity prices in Portugal are determined by a variety of factors, including the cost of generating electricity, distribution costs, taxes, and government regulations. Currently, Portugal has one of the highest electricity prices in Europe, with prices for households and small businesses significantly above the EU average.

How does Erse compare energy prices in Portugal?

Every six months, ERSE publishes information (PT) comparing energy prices in Portugal with other European Union countries' prices. Annually, ERSE approves tariffs and prices for electricity, valid for a calendar year (January to December). Exceptionally ERSE can approve tariffs and regulated prices for a different timeline.

Does Portugal have a green energy plan?

Portugal is building one of the cleanest and smartest electricity systems in Europe. Between surging renewables and flexible tariffs, it's never been easier for households and businesses to go green — and save money doing it. Time to rethink your energy plan?

.

What determines the price of electricity in Europe?

Supply and demand determine the price of electricity in Europe. If there is a high production of electricity from power plants and demand is low, the price will fall. If, on the other hand, the production of electricity is small and demand is high, prices will increase.

How are social tariffs financed in Portugal?

Under the actual Portuguese legislation, the financing of social tariff, which are applied to vulnerable consumers, is ensured by producers, suppliers and consumers acting directly in the wholesale market, as of 18 November 2023, under the terms of Decree-Law no. 15/2022 of 14 January, as amended by Decree-Law no. 104/2023 of 17 November.
