

Battery solar minecraft

Overview

This MOD adds solar generators using Forge Energy (FE) with capacities ranging from 1 FE/t to 100,000 FE/t and HUGE battery storages (exceeding 1,000,000,000,000 FE). Generators and batteries can be grouped together to form a single producing/storage unit.

Battery solar minecraft

SunBlock One

Monitor the state of the battery through an in-game HUD, make a "actually" solar powered sword, change the behavior of mobs, or create a new source of energy to power your builds.
