

Baytown solar post light 3 2v battery pack

Overview

What is a Baytown II solar light?

Stylish and easy to install, this solar fixture is the perfect energy and money saving replacement for electric or gas-powered outdoor lighting. Standing 78-inches tall, the Baytown II is constructed of weather-resistant, rustproof rigid resin with a black finish.

How do I replace the battery in my solar lamp post lights?

It will replace the existing battery in each Model of the following Solar Lamp Post Lights: The existing Gama Sonic rechargeable li-ion battery is located in the actual fixture head, and can be accessed by removing the screws on the bottom side of the head that contains the solar panel and circuitry.

How do I install a solar lamp post?

EZ-Anchor Mounting System: This Solar Lamp Post can be installed on any surface (excluding concrete) with the EZ-Anchor mounting system, assuring that the light will be well secured to the ground. Twist the anchor into the ground, attach the adaptor to the anchor and place the light on the adapter.
