

Blinds with sheers motorized solar battery

Overview

How do I control my motorized blinds or shades?

Motorization is available on all our most popular shades: Bali offers three ways to control your motorized blinds or shades: App & Gateway: A whole home solution with mobile app or voice control. Remotes: Easily lift and lower shades. Motorized Wand: Intuitive, 3-button wand that comes attached to the shade.

What are automatic blinds & cellular shades?

Automatic Blinds control tilt, making it easy to control light and privacy in your home. Automatic Woven Wood Shades are made with natural materials and offer simple functionality. Automatic Cellular Shades provide insulation and privacy with the push of a button.

How do I use a rechargeable battery for my blinds?

For a super simple solution that works with most windows, choose The Shade Store rechargeable battery option for your electric blinds, shades and drapery. Pair a solar panel with your rechargeable battery motor for a sustainable, energy-efficient solution. With a solar panel installed, the charge of your battery can be extended for up to 3 years.

What are motorized sheer weave solar shades?

Don't let the incoming sunlight hamper your downtime. These affordable Motorized Sheer Weave Solar shades help reduce glare and heat from the direct rays of the sun. They also provide a layer of UV protection on your windows and doors to help keep furniture, paint and flooring from fading. All in glorious light-filtering, living color.

How can I use my Bali motorization shades?

Designed with Bluetooth and Z-Wave technology, our shades can be easily operated within the room using our Bali Motorization app for your phone or

tablet. Paired with our gateway device, these shades can be seamlessly integrated into smart home systems and be operated via voice control technology, for ultimate convenience.

Are Bali motorized shades cord-free?

With cord-free operation, Bali motorized shades are ideal for homes with children and pets. Designed with Bluetooth and Z-Wave technology, our shades can be easily operated within the room using our Bali Motorization app for your phone or tablet.
