

ESS container cost breakdown in New Zealand 2025

Overview

How have shipping container costs changed in 2025?

Shipping container costs have shifted in 2025. After the wild price swings during the pandemic, rates have stabilized but remain higher than pre-2020 levels. If your business depends on international shipping, you need to understand these costs to stay competitive.

How much does an ESS system cost?

Increased competition in the commercial ESS space Government incentives (e.g., tax credits in the U.S. and Europe) make systems more affordable. For example, in 2022, a 100 kWh system could cost \$45,000. By 2025, similar systems could sell for less than \$30,000, depending on configuration.

How reliable are NZ container shipping services?

Container yards have been running at capacity (Auckland at 105%), with capacity reduced due to slow clearance. The reliability of NZ container shipping services is even worse than most countries, falling from 80% pre-pandemic to just 6% in June 2021, reflecting a cascade from delays in Asia and Australia.

What causes shipping disruption in New Zealand?

However, the factors driving the disruption are predominantly offshore – high global demand for shipping capacity, offshore port congestion, shipping lines overstretched and focussing on high-volume routes, lack of containers and record-high freight rates. These are not factors the NZ Government can influence.

Why are bunker costs so high in NZ?

Bunker costs in NZ are 1.3 times higher than in Asia. The Government saw merit in promoting coastal shipping to reduce the freight task (and investment requirement) on road (and rail) modes, and the achieve improved

environmental and social outcomes.

How do I ship a container to New Zealand?

The first step in shipping a container to New Zealand is to follow the step-by-step guide to shipping a container to New Zealand from the United States, the European Union, Spain, or China and provide your carrier or freight forwarder with the full details to ship your container to New Zealand.
