

Evergrande energy storage

Overview

What happened to Evergrande's EV unit?

Evergrande's EV unit has been struggling since its parent company defaulted on its debts more than two years ago and was ordered to be liquidated in January amid China's protracted real estate slump.

What is the name of Evergrande's new-energy vehicle brand?

The logo for Evergrande Group's new-energy vehicle brand Hengchi is displayed outside a showroom in Beijing. Shares in China Evergrande New Energy Vehicle Group surged in resumed trading Monday after a potential buyer emerged.

What might the buyer of Evergrande New Energy Vehicle Group provide?

According to the filing, the buyer may also provide a line of credit to support Evergrande New Energy Vehicle Group's continuing operation. Kenny Ng, a Hong Kong-based securities strategist at Everbright Securities International, said investors were encouraged by the idea of new ownership.

Does Evergrande have a new energy vehicle brand hengchi?

Shares in China Evergrande New Energy Vehicle Group surged in resumed trading Monday after a potential buyer emerged. Evergrande Group's new-energy vehicle brand is called Hengchi, as displayed on the logo outside a showroom in Beijing.

When was Evergrande ordered to be liquidated?

Amid China's protracted real estate slump, Evergrande was ordered to be liquidated in January. The EV maker has been struggling since parent Evergrande defaulted on its debts more than two years ago.

Can Evergrande's assets be used to repay international creditors?

Liquidators appointed by a Hong Kong court are looking into Evergrande's assets to see how they can be used to repay international creditors. This includes disgraced founder Hui Ka Yan's stake in Hong Kong-listed Evergrande, as well as Evergrande's ownership of its EV and property management units.
