

Exide solar c10 tubular battery

Overview

The Exide Solar Tubular Battery 12V/200Ah C10 tubular inverter batteries are designed with thicker plates and 20% more electrolytes to withstand power outage. This Solar tubular battery comes with a warranty of 60 months and requires very low maintenance.

The Exide Solar Tubular Battery 12V/200Ah C10 tubular inverter batteries are designed with thicker plates and 20% more electrolytes to withstand power outage. This Solar tubular battery comes with a warranty of 60 months and requires very low maintenance.

C10 battery, that means compare to c20 battery, it gives extra backup, Low self discharge 1200 cycles at 80% DOD, 3000 Cycles at 50% DOD, 5000 cycles, at 20% DOD, DOD is Depth of Discharge, Battery life is measured with cycles, when the battery is discharged up to 80% it will take 1 cycle, so you.

The Exide Solar Tubular Battery 12V/200Ah C10 tubular inverter batteries are designed with thicker plates and 20% more electrolytes to withstand power outage. This Solar tubular battery comes with a warranty of 60 months and requires very low maintenance. Exide 6LMS200L -150AH - SOLAR-TUBULAR.

The Tubular batteries manufactured by Exide are many steps ahead of other available options in the market. The reasons that make this product a much superior performer lies in selectively chosen alloy, high pressure casting in HADI machines, in-house oxide formulation, imported microporous.

Exide Solar Tubular 6LMS 150Ah C10 Battery with 5 Year Full Warranty Price in Noida ?

Exide Solar Tubular 6LMS 150Ah C10 Battery with 5 Year Full Warranty Market Price is 19999/-Rs But BatteryMantra.com Offering Just 15199/-Rs in Noida Withe Free Express Delivery & Installation by Experienced and.

Exide's C10 tubular battery technology is built to withstand demanding Indian conditions, ensuring extended life and reliable performance. Designed for solar applications, the Exide C10 battery efficiently handles deep discharges

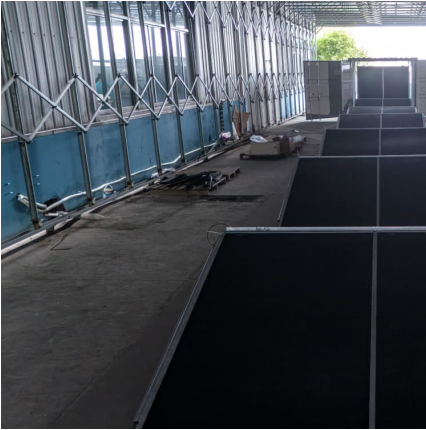

and frequent cycling, making it ideal for solar power backup systems.

Exide Industries is among the top solar tubular battery manufacturers in India offering Tubular Flooded Solar batteries and Tubular Gel Solar Batteries. Tubular Solar Batteries manufactured by Exide are many steps ahead of other available options in the market. The combination of low antimony alloy.

Exide solar c10 tubular battery

Exide Solar C10 Battery

Exide's C10 tubular battery technology is built to withstand demanding Indian conditions, ensuring extended life and reliable performance. Designed for solar applications, the Exide C10 battery ...

[Exide C10 36months 6LMS 100Ah Tubular Battery](#)

This comes with 5 years warranty Average Life is 7-10 years, compare normal tubular battery where it comes 5-7 years. Tubular Positive Plates made in high pressure HADI casting ...

Exide SOLAR C10 TUBULAR Battery

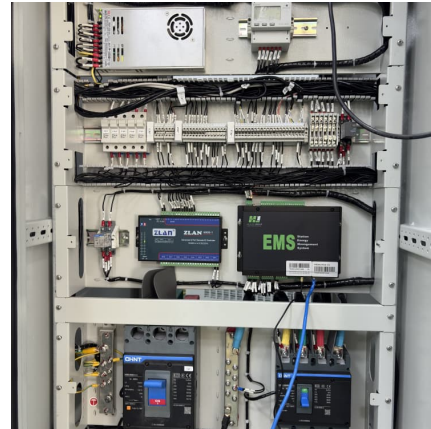

About this item Exide Solar C10 Torr Tubular Battery 5 Year Direct Warranty - No Prorate!! Average Life 7-10 Years Torr Tubular Positive Plates Made In High Pressure Hadi Casting ...

[Exide Solar Tubular Battery - Pros and Cons](#)

Solar Batteries have a discharge rating of C10, which is better than C20 rating of normal tubular batteries used for inverter application. Exide solar tubular batteries are rechargeable even

with ...

Exide SOLAR C10 TUBULAR Battery

About this item Exide Solar C10 Torr Tubular Battery 5 Year Direct Warranty - No Prorate!! Average Life 7-10 Years Torr Tubular Positive Plates Made In High Pressure Hadi Casting Machine Which Makes Longer Life With High Reliability.

[Exide Solar Tubular C10 100AH Inverter Battery](#)

The Tubular batteries manufactured by Exide are many steps ahead of other available options in the market. The reasons that make this product a much superior performer lies in selectively ...

[Exide C10 36months 6LMS 100Ah Tubular Battery](#)

This comes with 5 years warranty Average Life is 7-10 years, compare normal tubular battery where it comes 5-7 years. Tubular Positive Plates made in high pressure HADI casting machine which makes longer life with high reliability.
