

# Expected ROI of flow battery system project in Portugal 2025

## Overview

---

What is the growth potential of the flow battery market?

This trend underscores the growth potential of the flow battery market, as these technologies become crucial in the flow battery energy storage systems market. The Vanadium Redox Flow Battery (VRFB) segment dominates the global flow battery market, commanding approximately 83% market share in 2024.

How many projects were selected in Portugal's 2025 energy storage procurement?

A total of 43 projects were selected from 79 applications in Portugal's 2025 energy storage procurement. This included six projects from Spain's Iberdrola, which secured nearly EUR 20 million in public funding.

Does Portugal support battery energy storage projects?

Portugal has awarded grant support to around 500MW of battery energy storage system (BESS) projects, using EU Recovery and Resilience Plan (RRP) funding, a bloc-wide scheme that has supported energy storage across the continent.

How big is flow battery market?

Image © Mordor Intelligence. Reuse requires attribution under CC BY 4.0. The Flow Battery Market size is estimated at USD 1.02 billion in 2025, and is expected to reach USD 2.08 billion by 2030, at a CAGR of 15.41% during the forecast period (2025-2030).

Why should Portugal be a reference space for innovation in batteries?

To promote the national value chain and innovation ecosystem in the international market for energy storage technologies and materials, positioning Portugal as a reference space for innovation in batteries.

What is the growth rate of the Asia-Pacific flow battery market?

The Asia-Pacific flow battery market is positioned for exceptional growth, with projections indicating approximately a 21% growth rate from 2024 to 2029. The region represents the largest market for flow batteries globally, with China leading the deployment and manufacturing of these systems.

## Expected ROI of flow battery system project in Portugal 2025

---

### [Portugal Battery Energy Storage System Market \(2025-2031\)](#)

6Wresearch actively monitors the Portugal Battery Energy Storage System Market and publishes its comprehensive annual report, highlighting emerging trends, growth drivers, revenue ...

### **Portugal Flow Battery Market (2025-2031) , Forecast & Analysis**

Market Forecast By Type (Vanadium Redox Flow Battery, Zinc Bromine Flow Battery, Iron Flow Battery, Zinc Iron Flow Battery), By Storage (Compact, Large scale), By Application (Utilities, ...

### [Galp and Powin launch 5MW battery storage system ...](#)

Electronics Production , April 21, 2025 Galp and Powin launch 5MW battery storage system in Portugal Installed in the southern Portuguese region of the Algarve, the 5MW/20MWh battery system enhances the site's ...

### [CALB to Build Two-Billion-Euro Gigafactory in ...](#)

Chinese battery manufacturer CALB has confirmed its plans to build a production facility for lithium-ion batteries in Portugal. The factory with an annual capacity of 15 gigawatt-hours is

intended to start production in 2028. ...

### Sumitomo Electric Develops Advanced Vanadium Redox Flow Battery

Sumitomo Electric is pleased to introduce its advanced vanadium redox flow battery (VRFB) at Energy Storage North America (ESNA), held at the San Diego Convention ...

### Energy Outlook 2025: Energy Storage

Beyond batteries, China is further developing a number of non-battery storage projects including the world's largest flywheel energy storage project (30 MW) which was connected to the grid in 2024. It would seem likely ...

### Presentation

Patented IP VFlowTech is a world-leading long duration energy storage company. Headquartered in Singapore, VFlowTech specialises in Vanadium Redox Flow Battery (VRFB) technology and ...

[This is how the initial projects of the 250 battery ...](#)

Portugal Chinese manufacturer Aviation Lithium Battery Technology (CALB) has announced ambitious plans to establish an electric vehicle battery factory in Sines, Setúbal district, with the aim of starting ...

**Overview of vanadium redox flow battery (VRFB) and supply ...**

Establishment of Flow Batteries Europe, an industry association representing the voice of flow battery stakeholders in Europe While the majority of large VRFB sites and supply chain ...

[EUR2 billion lithium battery factory for Portugal](#)

The project to build a lithium battery factory for cars owned by the Chinese company CALB in Sines, with 15 GWh (Gigawatts/hour) of energy storage, is launched this Monday, with an investment of approximately two ...

[U.S. battery storage capacity expected to nearly ...](#)

Developers expect to bring more than 300 utility-scale battery storage projects on line in the United States by 2025, and around 50% of the planned capacity installations will be in Texas. The five largest new U.S. ...

### What Is A Flow Battery? Overview Of Its Role In Grid-Scale ...

A flow battery is a type of rechargeable battery. It stores energy using electroactive species in liquid electrolytes. These electrolytes are stored in external tanks and ...

### Portugal awards grants to 500 MW of energy storage projects

Portugal's Ministry of Energy has announced that it has allocated EUR 100 million (\$104.2 million) to 43 energy storage projects which should be installed by the end of ...

### [1.6 GWh flow battery project launched in Europe](#)

June 20, 2025: Construction of an 800 MW/1.6 GWh flow battery has been launched on the borders of three European countries, Flow Batteries Europe (FBE) announced on June 17. The system, sited at the electric grid ...

### [CALB prepares to build its battery plant in Portugal](#)

Chinese battery manufacturer CALB will start with the construction of its first European battery factory this year. The plant at the port of Sines, Portugal, first announced in 2022, is scheduled to go into operation in ...

### **Delivered 8-Hour Capacity Redox Flow Battery System to a ...**

1. Outline For the first time for a local power utility established by a municipality, a redox flow battery system (hereinafter referred to as RF battery) was delivered to Kashiwazaki Ideal & ...

### **Saudi Aramco Energy Storage and Battery Initiatives for 2025: ...**

Aramco's move to sustainable energy: Pioneering energy storage, flow battery tech & lithium production through key partnerships. Net-zero target by 2050.

### **Flow Battery Manufacturing Plant Report 2025 , Setup Cost**

IMARC Group's report, titled "Flow Battery Manufacturing Plant Project Report 2025: Industry Trends, Plant Setup, Machinery, Raw Materials, Investment Opportunities, Cost and Revenue" ...

### Quino Energy receives grant from CEC for 8MWh flow battery

A diagram showing how Quino Energy's organic flow battery works. Image: Quino Energy Flow battery startup Quino Energy and developer Long Hill Energy Partners ...

### Cost Projections for Utility-Scale Battery Storage: 2023 ...

Executive Summary In this work we describe the development of cost and performance projections for utility-scale lithium-ion battery systems, with a focus on 4-hour duration ...

### Portugal Flow Battery Market (2025-2031) , Forecast & Analysis

How does 6W market outlook report help businesses in making decisions? 6W monitors the market across 60+ countries Globally, publishing an annual market outlook report that ...

### Sumitomo Electric Initiates Project for Redox Flow Battery System ...

Sumitomo Electric Industries, Ltd. has initiated a project for constructing a storage battery system using redox flow batteries (final scale: output 4,000 kW, capacity 12,500 kWh) ...

[LoDES Project Secures Approval to Proceed](#)

Invinity Energy Systems today announces that it has reached an agreement to proceed with the LoDES project. Invinity has acquired the rights to develop, build, own and operate an up to ...

**Flow batteries portugal**

Researchers in Portugal have tested how vanadium redox flow batteries can be integrated with rooftop PV to balance the system load to ensure firm power output. They proposed a 5 kW/60 ...

[World's largest vanadium redox flow project completed](#)

Previously, Rongke built the 100 MW/400 MWh Dalian system, which at the time of its commissioning in 2022 was the world's largest vanadium redox flow project. This facility represents the first phase of the project which is ...

**Redox recap: New flow battery JV in US, Japanese utility adds ...**

A new joint venture (JV) aims to establish domestic vanadium electrolyte production for flow batteries, while a new Japanese redox flow project has been announced in ...

### China Sees Surge in 100MWh Vanadium Flow Battery Energy Storage Projects

August 30, 2024 - The flow battery energy storage market in China is experiencing significant growth, with a surge in 100MWh-scale projects and frequent tenders for GWh-scale flow ...

### Invinity to deploy 20.7MWh vanadium flow battery project in UK

Invinity has begun manufacturing the VS3 batteries that will comprise the vanadium flow battery (VFB) system at its Motherwell factory in Scotland. Construction is ...

### [Portugal has 720 MWh of battery capacity awaiting ...](#)

Newcon40 applied to the to Portugal's Directorate-General for Energy and Geology (DGEG) for the 400 megavolt ampere (MVA) solar project in 2019. In September 2023, the project secured a grid capacity agreement from ...

### [CALB breaks ground on battery plant in Portugal as...](#)

The \$2.1 billion plant is CALB's first overseas factory and is expected to start production in 2027. The plant will produce power and energy storage batteries for the global market, with a focus on European customers. ...

### **Battery Cluster Portugal**

To strengthen the competitiveness of the Portuguese industrial value chain and innovation ecosystem in batteries and energy storage technologies, through the development and transfer of new sustainable and disruptive technologies to ...

### **News**

Europe's largest flow battery project launched to boost energy security 18 June 2025: Construction work for the world's largest flow battery started this month at the strategic criticalelectrical grid interconnection point on ...
