

Expected ROI of residential ESS project in Panama 2026

Overview

What is the projected growth rate of construction in Panama?

Over the remainder of the forecasted period, Panamanian construction output is projected to grow at an average annual rate of 5.2% from 2026 to 2029, driven by investment in transportation, energy, and water infrastructure, as well as long-term strategic planning under the Mobility and Logistics Master Plan 2035.

What's going on with Panama's Canal infrastructure?

Despite ongoing political and fiscal headwinds, international geopolitical interests in Panama's canal infrastructure is propping up their construction market, while regional counterparts continue to grapple to access necessary funding.

Are Panama's rental yields still good?

Panama's gross rental yields are still good, despite having declined over the past few years. The average gross rental yield in the country stood at 6.42% in Q2 2024, not substantially different from 6.52% in Q1 2023, according to recent research conducted by the Global Property Guide.

What happened to Panama's economy in 2020?

During 2020, Panama experienced a deep economic recession, with real GDP contracting by a huge 17.7% - the first decline since 1988 and the country's worst economic performance in recent history. Despite the pandemic-induced recession, trade wars, and the suspension of the cruise industry, transits through the Canal remained more or less steady.

What happened to house prices in Spain in Q2 2024?

In Santiago, Veraguas province's capital, the average house price plunged 19.1% y-o-y to US\$847 per sqm in Q2 2024. In Penonomé, the capital of Coclé province, the average apartment price plunged by 14.7% y-o-y to US\$1,754

per sqm in Q2 2024 while house prices dropped 5.3% to an average of US\$927 per sqm.

How much does an apartment cost in Panama?

In El Cangrejo, known for its vibrant nightlife, hip bars, restaurants and cafes, and busy casinos, prices currently range from US\$1,500 to US\$2,800 per sqm. In Cinta Costera, a 26-hectare land reclamation project in Panama City, apartment prices vary from US\$2,000 to US\$3,200 per sqm.
