

Get the energy storage device genshin

Overview

In this segment, there are three Energy Devices, which need to be positioned beside their respective terminals. Everything needs to be done in an exact order, so I highly recommend you follow the walkthrough below step-by-step.

Players must collect three Energy Storage Devices and use them on three different Terminals to remove the barriers blocking the Research Terminal. The step is quite simple and easy to follow as the Research Terminals are marked on the map in Genshin Impact.
