Overview

You can open your Piggy Bank with 25 Diamonds at the end of the Valley season, and add those Tokens to your wallet. This is possible even if it exceeds the limit, allowing you to buy up to 2 items from the Exclusive Shops! Of course, you cannot buy the same item twice.

You can open your Piggy Bank with 25 Diamonds at the end of the Valley season, and add those Tokens to your wallet. This is possible even if it exceeds the limit, allowing you to buy up to 2 items from the Exclusive Shops! Of course, you cannot buy the same item twice.

Piggy Bank is a way to save more Tokens for the end of the Valley season! In addition to regular Tokens that go to the Token Wallet, an extra percentage of them will be rewarded when you complete normal Building Requests (including Group Requests) and will be stored in your Piggy Bank. None of your.

So you collect the maximum amount your storages can hold and the rest stays safely in your treasury! As a tip only collect your treasury when you are about to spend the loot because attackers can't take as much loot from your treasury than they can from your storages as it is better protected :) .

With the Gold Pass, you can collect Challenge Points throughout the Season to increase the bank's storages, and earn Bank Multipliers! Please note! Bank Multipliers increase the amount of loot added after each attack, which will help you fill your banks faster! Bank Multipliers do not multiply your.

Treasury capacity is determined by Town Hall level and by the Clan Perks of any clan the player is in. The level of the Clan Castle has no effect on the treasury capacity. Only 3% of loot stored in the Treasury will be stolen if an attacker completely destroys your Clan Castle. Like the Town Hall.

In this session, I will explain the treasury in Clash of Clans and the maximum amount of loot that can be obtained from it. Here are some key points about the treasury: What is Treasury in Clash of Clans?
