

# Patriot solar power battery charger

## Overview

---

The 4Patriots Solar Charger works by using a combination of solar and USB charging to store energy in its 8,000 mAh lithium-ion battery. You can charge it via sunlight using the built-in solar panel or more quickly through the included micro-USB cable.

The 4Patriots Solar Charger works by using a combination of solar and USB charging to store energy in its 8,000 mAh lithium-ion battery. You can charge it via sunlight using the built-in solar panel or more quickly through the included micro-USB cable.

These pocket-sized "power plants" store 8,000 mAh of power — enough to recharge a cell phone about 6 times depending on the model — and can be used every day or in a dangerous blackout. The NEW & Improved Patriot Power Cell CX is an upgrade over the original fan-favorite model. It can recharge.

**BUILT-IN SOLAR PANEL:** Recharge for free using the sun. The 5-inch solar panel lets you recharge the 8,000 mAh battery without cords or outlets. So it's a perfect solar power bank for camping or hiking. And a smart add to your emergency preparedness stockpile to keep your phone on in a blackout.

Patriot Fully portable, 'All in One' compact Solar Electric Fence Charger Energizer with a compact design with carry handle makes it ideal for portability. These units includes internal battery and solar panel, all-in-one energizer. Solar powered. Energy efficient solar panel charges .

**RECHARGEABLE SOLAR PANEL:** Your NEW & Improved portable solar power bank is rechargeable using the power of the sun. The 5-inch solar panel lets you recharge the 8,000 mAh lithium ion battery without cords or outlets. Or use the included micro-USB cord to charge 2X faster. This makes it ideal for.

If you spend time outdoors or want an emergency backup, a solar charger like the 4Patriots model can be a lifesaver. While it's true that solar charging is slower than traditional methods, the convenience of not needing an electrical outlet can't be overstated. Plus, in emergencies, that little.

The Patriot Power Cell is a solar powered phone charger made by 4Patriots. If you've never heard about them, 4Patriots is a company that sells survival and outdoor gear including survival food kits, solar lanterns and flashlights, and portable power stations. The Patriot Power Cell is one of their.
