

Portable ESS system project financing options in New Zealand 2030

Overview

Is New Zealand facing a critical infrastructure funding shortfall?

New Zealand faces a critical infrastructure funding shortfall that threatens our future growth and prosperity. In our latest report, our experts look at New Zealand's funding and financing toolkit and discuss what innovative funding solutions could reshape how we build and maintain critical infrastructure across Aotearoa. What's inside our Report?

.

Can private financing accelerate NZ's infrastructure delivery?

Our government plans to use private financing to accelerate the delivery of NZ's infrastructure and we believe this is a great opportunity to develop a PPP model that works for NZ, as part of a suite of delivery mechanisms.

When should public sector entities consider the infrastructure funding & Financing Act 2020?

Public sector entities should consider this Guidance at the strategic stage of their decision making process. Strategic Leasing Guidance The Infrastructure Funding and Financing Act 2020 (IFFA) is an alternative funding and financing tool developed to tackle the issue of housing and associated infrastructure being outpaced by population growth.

What are the new funding and financing framework guidelines?

Funding and Financing Framework The new guidelines aim to outline a transparent and streamlined process to facilitate collaboration between the public and private sectors, and enhance potential opportunities associated with proposals that include innovation, improved identification of projects, and improved project delivery efficiency.

What is WEL Networks & Infratec doing for New Zealand?

WEL Networks and Infratec are pleased to announce that they have entered into major contracts for the supply and build of New Zealand's largest battery storage facility. The project will play a pivotal role in the reduction of emissions in the Waikato and will support New Zealand's Net Zero goal of becoming 100% renewable by 2030.

What is the infrastructure funding & financing cross-agency work programme?

In May 2024, Cabinet endorsed the Improving Infrastructure Funding and Financing cross-agency work programme. This cross-agency work programme sought to support the Crown and councils to make better use of existing assets, and sustainability address New Zealand's infrastructure deficit.
