

# **Residential ESS supplier quotation in Slovakia 2030**

## Overview

---

What is the global residential ESS market?

The global residential ESS market is further segmented based on geography, including North America (the US and Canada), Europe (Italy, Spain, Germany, France, and others), Asia-Pacific (India, China, Japan, South Korea, and others), and the Rest of the World (the Middle East & Africa and Latin America).

Why has the supply of residential Bess increased in 2024?

At the same time, the supply of residential BESS has increased because of the appearance of Asian players on the large and comparatively attractive European market; our research shows that European residential BESS installation represents 71 percent of global installations in 2024.

What is residential ESS?

Residential ESS also minimizes grid dependence while increasing solar self-supply, which is secure, flexible, and easy to install. As a result, residential ESS is widely deployed in the residential sector to ensure a continuous power supply. Highlights Lithium-ion batteries dominate the technology segment.

How much do energy alternatives cost in Europe?

Furthermore, rising interest rates and the general decline of the European economy mean consumers are more conservative when it comes to making investments in energy alternatives, such as solar photovoltaic (PV) and BESS, which can easily cost up to €30,000.

How can a company become a supplier to ESS?

This page serves as an overview of the entry points to ESS, providing guidance on how companies can become suppliers to ESS. Companies interested in ESS business opportunities can register a business profile in the ESS Supplier Portal to enable matching of potential suppliers with ongoing

procurements.

How can European residential Bess OEMs capture additional revenue?

European residential BESS OEMs can capture additional revenue by first ensuring that manufactured BESS products meet the criteria of sales professionals and installers and then by focusing on building trusting relationships.
