

Successful bid price of solar plus storage project in Egypt 2025

Overview

Egypt has secured \$479.1 million in financing to develop a 1.1 GW solar photovoltaic (PV) power plant integrated with a 200 MWh Battery Energy Storage System (BESS) in Nagaa Hammadi to accelerate its renewable energy transition.

Egypt has secured \$479.1 million in financing to develop a 1.1 GW solar photovoltaic (PV) power plant integrated with a 200 MWh Battery Energy Storage System (BESS) in Nagaa Hammadi to accelerate its renewable energy transition.

Egypt has secured \$479.1 million in financing to develop a 1.1 GW solar photovoltaic (PV) power plant integrated with a 200 MWh Battery Energy Storage System (BESS) in Nagaa Hammadi to accelerate its renewable energy transition. The financing was provided by the European Bank for Reconstruction and.

Scatec has broken ground on Egypt's first major hybrid solar and battery project after securing a \$30 million equity bridge loan from the European Bank for Reconstruction and Development (EBRD). From ESS News The EBRD has provided a \$30 million equity bridge loan to support Egypt's first major.

Oslo/Cairo, 05 May 2025: Scatec ASA has commenced construction of its 1.1 GW Obelisk solar and 100 MW/200 MWh battery storage project in Egypt. The energy will be sold under a USD-denominated 25-year Power Purchase Agreement (PPA) with the Egyptian Electricity Transmission Company (EETC), backed by.

Egypt has secured \$479.1 million in blended financing from three major development finance institutions to support its first large-scale integrated solar photovoltaic (PV) and battery storage project. The 1 GW Obelisk Solar Power plant, located in the Nagaa Hammadi region, will include a 200 MWh.

The Egyptian Electricity Transmission Company (EETC) has signed power purchase agreements (PPAs) with two renewable energy developers – Scatec and AMEA Power – to advance large-scale solar and battery storage projects in

the country. Norwegian renewable energy producer Scatec has secured a 25-year.

Independent power producer (IPP) Scatec has raised US\$479 million for its Obelisk hybrid solar and battery storage project in Egypt. The funding is being provided by the European Bank for Reconstruction and Development (EBRD), African Development Bank (AfDB), and British International Investment.
