

Trinity solar battery backup

Overview

Does Trinity solar offer a warranty?

Those states include Connecticut, Delaware, Florida, Maryland, Massachusetts, New Hampshire, New Jersey, New York, Pennsylvania and Rhode Island. Trinity Solar's warranties are relatively basic. The company offers a five-year warranty on workmanship for any solar, roofing or battery backup installations.

How much does a Trinity Solar System cost?

The average cost of solar panel systems in the US is about \$16,000, with a range of \$4,500 and \$36,000. There are three ways to pay for a Trinity Solar installation system: \$0 Upfront: With this method, the homeowner leases the system from Trinity with zero money due upfront.

Does Trinity Solar install solar panels?

Trinity Solar installs solar panels and inverters. Their installers are NABCEP-certified and you can finance your solar panels with TerraSol Energies. Trinity Solar operates in nine states along the East Coast.

How does Trinity solar work?

Trinity Solar handles almost all of its installations entirely in-house. This means that the processes of quoting, designing, permitting, installing and the final inspection are all performed by Trinity employees. This cuts out any middlemen and allows the customer to speak directly with the people responsible for their installation and service.

Is Trinity a good solar company?

Finally, there is a \$0 down lease option through which the customer leases the solar panel system, and Trinity maintains it. Trinity has basic offerings and flexibility comparable to many solar companies. However, Trinity's customer review ratings on the biggest consumer trust websites are a real downside.

Why should you choose Trinity solar?

Trinity Solar, one of the top solar companies, can help improve your quality of life, reduce your environmental footprint and lower your cost of living. The company technicians not only design your system, but they can also professionally install it and handle all the permits so you can begin enjoying the benefits of your new system.
